The diagram illustrates the land management process flow, starting from the application stage (BAŞVURU) and ending with the final decision (SON KARAR). The process involves several key stages and documents:

- BAŞVURU (Application):** Includes the application form (SÖZLEŞME) and fees (1.000 TL and 10.000 TL).
- BLOK NO (Block Number):** A document generated from the application.
- BLOK HAT (Block Map):** A map generated from the application.
- PARSEL NO (Parcel Number):** A document generated from the application.
- PARSEL HAT (Parcel Map):** A map generated from the application.
- KADASTRO HAT (Cadastral Map):** A map generated from the application.
- KADASTRO NO (Cadastral Number):** A document generated from the application.
- BORU (Survey):** A document generated from the application.
- KÖY ALANI (Village Area):** A document generated from the application.
- KÖY SINIRI (Village Boundary):** A document generated from the application.
- KAMU ORTA MAL (Public Common Property):** A document generated from the application.
- TARLA İÇİ YOL (Field Internal Road):** A document generated from the application.
- KANAL (Canal):** A document generated from the application.
- MALİYET HAZIRLIĞI (Cost Preparation):** A document generated from the application.
- SON KARAR (Final Decision):** A document generated from the application.
- İÇİŞİLER BAKANLIĞI (Ministry of Interior):** The final decision is made by the Ministry of Interior.
- BAŞVURU (Application):** The process returns to the application stage.
