

A detailed map of a city grid, likely from a historical or planning document. The map shows a network of streets forming a grid pattern. A prominent diagonal road, highlighted in red, runs from the upper left towards the lower right. Numerous blocks are outlined and numbered, with some numbers appearing in red and others in black. The numbers range from 1 to 150, with some blocks containing multiple numbers. The map is oriented with a north arrow in the top right corner. The overall layout suggests a systematic urban plan, possibly for a new city or a reorganized area.
