

The diagram illustrates the relationship between the old parcel area, the new parcel area, and the water lines. It consists of three horizontal lines: a dashed red line at the top, a solid black line in the middle, and a solid blue line at the bottom. The blue line has four small circles on it, representing the water lines. The text 'Eski Parsel Alan' (Old Parcel Area) is to the right of the red line, 'Yeni Parsel Alan' (New Parcel Area) is to the right of the black line, and 'Sulama Hatları' (Water Lines) is to the right of the blue line.
